# Welcome to the Raglan Arts Guide for 2024.

We are bursting at the seams with inspiration and information that will make your art adventures in Whaingaroa zing! Whether you're on a self-guided trail for our annual Raglan Arts Weekend (RAW), or hitting our well-loved art shops and galleries year-round, this little guide is packed with everything you need to know.

This year, we are taking RAW to the next level by integrating installations, workshops and even a Country and Blues Music Festival into our weekend. It's a small but intentional step aimed at realising our vision to become a more immersive and experiential event for our visitors – bringing heaps of fun with it too!

Don't forget to buy tickets for our Opening Cocktail Ceremony at Rock-It and make sure you pop along to The Hatch - our emerging artist 'incubator' here in Raglan. Check out the guide on page 16 for all the details on what's on over RAW.

If you're here out of RAW dates, you can still call the artists listed in this guide to view their work or visit the main galleries and art stores which we have highlighted for you. We're here year-round, and love inspiring the next generation of creative fire-starters.

We would like to acknowledge our longstanding partners – Rangitahi Peninsula, The Chartwell Trust, Bayleys Real Estate and Tony Sly – for their unwavering support of our event. We also know that our brochure sponsors have had to dig deep in a tough year to come up with the funding that makes RAW happen. We would love you to pay it forward when you visit – stay with them, eat with them, buy their treasures! It's the very best 'thank you' we can give them for putting our community first.

Enjoy our art, our artists, our community and the beautiful Whaingaroa.

## With Thanks

Thank you to all our participating artists, to our amazing Whaingaroa community for supporting this event, and to our sponsors for backing us. A big shout out too to our production teams at Mafia Design, Raglan Signs and Print House Print.

This event would not have been possible without the long term partnerships established with Rangitahi Peninsula, The Chartwell Trust, Bayleys Real Estate and Tony Sly for which we are very grateful. Funding received from the Raglan Community Board, the Waikato District Creative Communities Scheme and our local business advertisers is much appreciated, especially in these tough times. A special mention must be made of Palm Prints for all the mahi behind the scenes – thank you.
